Appeal Reason	Appeal for waiver of rules for the invoice deadline extension
Proceeding No.	02-6

Appeal Explanation: Originally the incorrect SPIN number was entered. The original Form 486 was filed on 2/7/17. I requested a SPIN Change on 2/7/2017 after catching the error. I never received notification that the Funding request had been funded. I submitted a BEAR form on 11/7/2017, to learn on the BEAR notification letter received on November 15, 2017 that the total amount of reimbursement approved for payment was \$0.00 because the original invoice deadline had expired on October 30, 2017. However that actual decision explanation did not reflect the invoice deadline information. After finding that I did not receive the funding (through E-Rate Central) I was directed by USAC support to file the Form 486 again. I submitted an Invoice Deadline extension on 11/29/2018 as suggested. I also filed an appeal online. Due to USAC's delay in processing the SPIN Change, and issuing a Revised Funding Letter, had I requested an invoice extension for FY2016, the extended deadline would have passed, preventing me from timely filing the FY2016 BEAR. Documents Included.

Sincerely,

Susan Sparks
